

# CODE OF CONDUCT 2010

The following rules and regulations are meant for the purpose of making everyone's camp experience the best it can be. We want each of our campers to have an absolute blast while at camp, but most importantly, we want to ensure a safe experience for each of our campers. In order to ensure the safety of all our campers and staff, our campers will abide by the following rules. Failure to uphold any one of these rules (failure to do so to be determined at the discretion of the camp director) will result in a non-refundable, permanent expulsion of the camper in question.
